Other volunteer opportunities:

- Fill cages with oyster spat on shell – late August 2020
 Cage delivery (own a pick-up truck or boat and able to lift 50 lbs) – late August 2020
 Cage pick-up (own a pick-up truck or utility trailer and able to lift 50 lbs) – early June 2021

Donor opportunities – Our Tilghman Islanders Grow Oysters (TIGO) program is now 100% funded through private donations to PWEC, with \$35 for each cage needed to cover the cost of maintenance and monitoring. Without donor support, the program will not be sustainable. Your donation can help defray these costs. Make checks payable to PWEC and include TIGO in the memo line.
